

THIS CUSTOMER LICENSE AGREEMENT (this “**Agreement**”) is between SixGen, Inc., a Delaware corporation (“**SixGen**”) and the Person (as defined below) signing or electronically accepting this Agreement, or any Ordering Document that references this Agreement (“**Customer**”). This Agreement is entered into on the earlier of, (a) SixGen or an Authorized Reseller, and Customer agreeing to an Ordering Document referencing this Agreement, or (c) Customer is given access to any Product (the “**Effective Date**”). SixGen and Customer may be referred to herein collectively as the “**Parties**”.

1. Scope of Agreement.

- 1.1** This Agreement governs Customer’s use of and access to all Products and the receipt of Services to be provided by SixGen pursuant to this Agreement and an Ordering Document. This Agreement applies to all Software that Customer licenses directly from SixGen, a SixGen Affiliate, or from an Authorized Reseller. For the avoidance of doubt, in the event Customer licenses any Products or purchases any Services from an Authorized Reseller, SixGen shall have no obligations to Customer with respect to any terms and conditions outside of this Agreement unless otherwise agreed to in writing between Customer and SixGen. Capitalized terms not otherwise defined herein have the meanings assigned to such terms in Section 15 (Definitions).
- 1.2** Unless otherwise agreed to between Customer and SixGen in writing, the terms of this Agreement shall govern any and all use of the Products. Licensing of Products may take place by either:
- (a) executing an Ordering Document with SixGen or a SixGen Affiliate; or
 - (b) entering into an Ordering Document with an Authorized Reseller for the license of any Product or purchase of any Services.

2. Product Licenses.

- 2.1 Grant of License for Products.** Subject to Section 3.1 and Customer’s and its Authorized Users’ continuous and uninterrupted compliance with all the terms and conditions of this Agreement and the applicable Ordering Documents, including the payment of all applicable Fees (if any), SixGen hereby grants Customer a revocable, non-exclusive, non-transferable, non-sublicensable, limited right to download, install, access and use the Products (as applicable) specified in the applicable Ordering Document solely for Customer’s internal business operations and solely in accordance with (i) the Documentation, (ii) this Agreement, and (iii) the number of End Users and Authorized Devices on which an instance of such Product is installed, as permitted and set forth in the applicable Ordering Document (the “**License**”). Unless otherwise specified in the applicable Ordering Document, the License allows Customer to install a single instance of the Product and use the Product on a single specific Authorized Device at any time per License. Customer may install, use, access, display and run one copy of the Product at a time. Each Product is licensed as a single product. Other than the rights expressly set forth in this Section 2, no other right or interest whatsoever in or relating to the Product is transferred or granted to Customer.
- 2.2 No Sublicense and Assignment of License or Other Rights.** Customer shall not have any right to transfer, assign or sublicense any of the rights granted in this Agreement to any other party or to use any Product other than as provided for in this Agreement, in each case, without the prior written consent of SixGen, which consent may be granted, conditioned, delayed or withheld by SixGen, in its sole discretion.

3. Services.

- 3.1 M&S Services.** Except as otherwise provided in this Section 3 or in any other Customer Agreement, the License grant under Section 2.1 and Customer’s and its End Users’ right to download, install, access or use any Product under this Agreement or any other Customer Agreement is subject to Customer’s purchase of M&S Services for such Product. The M&S Services Terms for each Product are the standard maintenance and support terms and conditions of SixGen, as set forth on **Exhibit A** and **Exhibit B**, respectively, or as may otherwise be provided

in writing by SixGen or Authorized Reseller to Customer from time to time. Notwithstanding the foregoing, and unless otherwise agreed to in writing by SixGen, all M&S Services provided to Customers subject to this Agreement and the M&S Services Terms shall be performed exclusively by SixGen.

3.2 Nonrenewal of RAVEN M&S Services. In the event the RAVEN M&S Services are not renewed or repurchased by Customer, SixGen shall have no further obligations to Customer including without limitation the obligation to provide any further RAVEN M&S Services to Customer after the expiration of the then-current Term for such RAVEN M&S Services. Customer may continue to use the RAVEN Software and Documentation after the expiration of the Term, subject to the License and the terms and conditions of this Agreement, PROVIDED THAT CUSTOMER DOES SO AT ITS OWN RISK.

3.3 Specialized Services. SixGen offers Specialized Services for purchase by Customers. Any Specialized Services to be provided or performed by SixGen for Customer shall be described in a statement of work or other Ordering Document executed by SixGen or Authorized Reseller, as applicable, and Customer, which describes such Specialized Services and the terms applicable to such Services. Unless otherwise agreed to in writing by SixGen, all Specialized Services provided to Customers subject to this Agreement and the applicable Ordering Document shall be performed exclusively by SixGen.

4. Authorized Resellers. Customer may purchase Licenses for Products and the right to receive M&S Services and any other Services through an Authorized Reseller and Customer's License rights in such Products and rights to receive such Services will be governed by this Agreement and any other Customer Agreement covering such Products and/or Services. For any License purchased for a Product or right to receive Services purchased by Customer from a Authorized Reseller, Customer hereby agrees and acknowledges that: (a) Customer and such Authorized Reseller will enter into an Ordering Document; (b) SixGen will not be bound by any commitment, agreement or understanding entered into between Customer and the Authorized Reseller and SixGen will not be liable for any of the acts or omissions of the Authorized Reseller; (c) Customer's right to download, install, access or use such Product(s) and receive such Services will be subject to the terms and conditions of this Agreement and any other applicable Customer Agreement; and (d) the failure by Authorized Reseller to pay any Authorized Reseller Fees to SixGen in accordance with the Alliance Agreement shall be considered a breach of this Agreement and will entitle SixGen to, inter alia, the remedies set forth in Section 6.4.

5. Intellectual Property; Ownership; Restrictions on Use; Third Party Products.

5.1 No Other Rights. Customer acknowledges that the Products are provided under license, and not sold, to Customer. Customer does not acquire any ownership interest in any Product, Documentation (and any derivatives thereof) under this Agreement and, except as expressly provided in this Agreement, no license or other rights are granted to Customer or any third-party to use or access the Products or Services, any of the SixGen Property or any intellectual property embodied therein, or any data, information, or other content provided thereby unless otherwise agreed upon by the Parties pursuant to a separate written agreement signed by both Parties.

5.2 Ownership and Proprietary Rights. Except to the extent that portions of a Product may be executable and include Third Party Products, including without limitation open source software, SixGen (together with its Affiliates, subsidiaries and/or their respective suppliers and licensors) owns all right, title and interest in and to the Products, the SixGen Property, and all other SixGen Confidential Information, including all Intellectual Property Rights therein. SixGen may modify or improve any SixGen Property at any time and such SixGen Property, and SixGen's rights (including all Intellectual Property Rights) therein will include all enhancements, modifications, or adaptations thereto and/or derivative works thereof (whether made by SixGen, a third-party or jointly) and Customer acknowledges that it neither owns nor acquires any rights in or to any of the SixGen Property or the Products. Customer further acknowledges that SixGen retains the right to use the SixGen Property and the Products for any purpose in SixGen's sole discretion. SixGen reserves all rights not expressly granted to Customer in this Agreement. Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to Customer or any third party, any Intellectual Property Rights or other right, title, or interest in or to the SixGen Property.

Customer hereby acknowledges and agrees that Customer's sole rights with respect to the Products and the Documentation are the rights granted pursuant to the License, as described in Section 2 of this Agreement.

5.3 Third Party Products. Customer acknowledges that the Products may contain or be accompanied by certain Third Party Products and certain items of such Third Party Products may be subject to open source licensing requirements. Third Party Products may be accompanied by certain notices or license documentation relating to such Third Party Products (collectively, the "**Third Party Notices**"). Customer shall comply with the terms of all Third Party Notices governing Customer's use of such Third Party Products. To the extent SixGen enables any integration of Third Party Products with the Products, SixGen will have no responsibility or liability with respect to such Third Party Products.

5.4 Open Source Software. The products contain certain components that are subject to open source licensing requirements. Copies of the applicable licenses are available at [<https://www.github.com/SixGenInc/RAVEN>]. All open source software contained in the Products is distributed WITHOUT ANY WARRANTY. All such software is subject to the copyrights of the authors and to the terms of the applicable licenses included in such Product. If so entitled under the applicable license of an open source component, Customer may obtain a copy of the source code for the open source software used in the applicable Product for a period of three (3) years after the Effective Date by sending a check for \$10, payable to SixGen to the address below:

SixGen, Inc.
185 Admiral Cochrane Dr., Suite 210
Annapolis, MD 21401
Attn: [Name of Product] Open Source Requests

Customer agrees to be legally bound by such open source licenses. No terms contained in the foregoing open source licenses shall be construed to grant Customer any rights to modify, update, change, or reverse engineer any Product or otherwise do anything prohibited by this Agreement.

5.5 SixGen Marks. SixGen's marks and logos and all other proprietary identifiers used by SixGen in connection with the Products and the Services ("**SixGen Marks**") are all SixGen Property and are trademarks and/or trade names of SixGen and/or its Affiliates. No right, license, or interest to the SixGen Marks is granted hereunder.

5.6 Feedback. If Customer or any of its End Users contact SixGen with feedback data (e.g., questions, comments, suggestions, or the like) regarding any Product or Service (collectively, "**Feedback**"), SixGen shall be free to use such Feedback irrespective of any other obligation or limitation between Customer or any of its End Users and SixGen governing such Feedback. All Feedback is and will be treated as non-confidential. Customer or any of its End Users hereby assign to SixGen on Customer's or such End User's behalf, and Customer shall cause Customer's employees, contractors, and agents to assign, all right, title, and interest in, and SixGen is free to use, without any attribution or compensation to Customer, any of Customer's End Users, or any third party, any ideas, know-how, concepts, techniques, or other Intellectual Property Rights contained in the Feedback, for any purpose whatsoever, although SixGen is not required to use any Feedback.

5.7 Restrictions on Use. Except as expressly provided in this Agreement or an applicable Customer Agreement, Customer agrees that Customer will not, and Customer will not permit any person or entity other than a Person properly granted the necessary rights under this Agreement or another Customer Agreement, at any time, directly or indirectly, to:

- (a) access or use the Products or Services except as set forth in, and only to the extent permitted under, this Agreement or such applicable Customer Agreement;
- (b) take or fail to take any action, engage in any activity or access or use any Product in any manner that violates the terms of this Agreement or any other Customer Agreement applicable to such Product;
- (c) attempt to decipher, reverse translate, decompile, decode, disassemble, adapt or otherwise reverse engineer or otherwise attempt to derive, reconstruct, discover or gain access to, in whole or in part, the source code of any Product or other SixGen Property, or underlying ideas, algorithms, file formats, programming or interoperability interfaces of any Product or other SixGen Property;

- (d) use or attempt to use any robot, spider, scraper, deep link or other similar automated data gathering or extraction tools, program, algorithm or methodology to access, acquire, copy or monitor any Product or portion thereof;
- (e) copy, modify, correct, adapt, translate, enhance, or otherwise create derivative works from or based upon the Products or Services or the SixGen Property, in whole or in part;
- (f) remove, delete or alter any SixGen Marks, any domain names, other distinctive brand features or any proprietary or other notices from any Product (including any Documentation);
- (g) use any Product or SixGen Property to store or transmit any material that (i) infringing, libelous, or otherwise unlawful or tortious, or in violation of third-party privacy rights; (ii) infringes, misappropriates, or otherwise violates any Intellectual Property Right or other right of any third party; or (iii) violates Applicable Law;
- (h) use any Product, Service or SixGen Property to send or store any code, files, scripts, agents or programs intended to do harm, including, for example, viruses, worms, time bombs and Trojan horses;
- (i) access or use any Product (including any Documentation) for purposes of (i) performing a competitive analysis of a Product or benchmarking with a non-SixGen product or service, (ii) creating or developing a competing software product or service, or (iii) or any other purpose that is to SixGen's commercial disadvantage;
- (j) permit direct or indirect access to or use of any of the Products, Services, or the SixGen Property in a way that circumvents a contractual usage or license limit, or use any of the Products or Services to access or use any of the SixGen Property, including SixGen's intellectual property, except as permitted under this Agreement or other applicable Customer Agreement;
- (k) share data or content from any Product (including any Documentation), the Services, or the SixGen Property with any direct competitor of SixGen;
- (l) assign, sublicense, resell, transfer, distribute, pledge, loan, lease, market, rent, use or make any Product or Service available to any third party, including, without limitation, in any service bureau arrangement, facility management or third-party support or training, or otherwise share any rights granted under this Agreement or any applicable Customer Agreement with any third party; or
- (m) circumvent, disable, or otherwise interfere with security-related features of any Product or features that enforce limitations on its use.

Customer and its End Users are responsible and liable for all uses of the Products resulting from access provided by Customer to such other End Users, directly or indirectly, whether such access or use is permitted by or in violation of this Agreement or any other Customer Agreement. Without limiting the generality of the foregoing, Customer is responsible for all acts and omissions of Customer's End Users, and any act or omission by an End User that would constitute a breach of this or any other Customer Agreement, if taken by Customer or any other End User, will be deemed a breach of this Agreement or such Customer Agreement by Customer. Customer shall use reasonable efforts to make all of Customer's End Users aware of the provisions of this Agreement applicable to such End User's use of the Products and shall cause such End Users to comply with such provisions.

6. Fees; Payment; Suspension; Taxes.

6.1 Fees. The fees for the Offerings provided to Customer are determined in accordance with the terms of the applicable Ordering Document covering such Offerings and, together with any other amounts due under this Agreement (collectively, the "**Fees**"), are quoted and payable in United States dollars. Unless otherwise provided in the applicable Ordering Document, all Fees (except for any disputed Fees then subject to a Dispute under Section 6.5) shall be due and payable within thirty (30) days of the invoice date. Customer shall provide SixGen with complete and accurate billing and contact information including a valid email address for receipt of invoices. All Fees and payment obligations for Offerings under any Ordering Document are non-cancelable and Fees paid are non-refundable and quantities purchased cannot be decreased.

- 6.2 Overdue Payments.** Without limiting the rights and remedies available to SixGen under this Agreement or by Applicable Law, any Fees not paid by Customer (except for any disputed Fees then subject to a Dispute under Section 6.5) within thirty (30) days of the invoice date shall accrue late charges at the rate of one and one-half percent (1.5%) of the outstanding balance per month, or the maximum rate permitted by Applicable Law, whichever is lower, from the date such payment was due until the date paid, plus all reasonable expenses and fees of collection (including attorneys' fees and court and administrative costs).
- 6.3 Taxes.** The Fees are exclusive of all shipping costs, and federal, state and local sales, value-added taxes, goods and services taxes, use, excise, service, transaction, gross receipts or similar taxes imposed on the Products and Services (collectively, "**Taxes**"), any and all of which Customer agrees to pay, excluding taxes assessable against SixGen on its income, property and employees. Customer shall make all payments required without deduction of any Taxes, except as required by Applicable Law, in which case the amount payable shall be increased as necessary so that after making any required deductions and withholdings, SixGen receives and retains (free from any liability for payment of Taxes) an amount equal to the amount it would have received had no such deductions or withholdings been made. If Customer is exempt from paying any applicable Taxes, Customer shall promptly provide written evidence reasonably satisfactory to SixGen of its tax-exempt status, and SixGen will not include such Taxes in Customer's invoices.
- 6.4 Suspension of Services for Non-Payment.** If Customer's account is more than thirty (30) days past due (except with respect to any disputed Fees then subject to a Dispute under Section 6.5), in addition to any other rights or remedies it may have under this Agreement or by Applicable Law, SixGen reserves the right to cease or suspend access to and use of any or all Products (including all License and other rights granted to Customer for such Products) and/or performance of any or all Services currently being performed or to be performed for Customer, without liability to SixGen for such suspension, and such Licenses for such Products and/or performance of Services shall only be reinstated and resumed if Customer pays all amounts of such invoiced Fees (except for any disputed Fees then subject to a Dispute under Section 6.5) are paid in full.
- 6.5 Billing Disputes.** Any dispute involving invoiced Fees (a "**Dispute**") must be in writing and submitted to SixGen within thirty (30) days of the invoice date and include a reasonably detailed statement describing the nature and amount of the disputed Fees as well as the reasonable and good faith bases for why a credit or refund is being requested (a "**Dispute Notice**"). Customer shall cooperate with SixGen to promptly address and attempt to resolve any Dispute submitted in accordance herewith. Customer acknowledges and agrees that in the event Customer does not submit a Dispute Notice in accordance with the foregoing, Customer waives all rights to dispute such invoice and all Fees set forth in such invoice will be considered correct and binding on Customer. Notwithstanding any dispute of invoiced Fees commenced in accordance with this Section 6.5, Customer shall remain obligated to pay all undisputed Fees within thirty (30) days of the invoice date.
- 6.6 Audit.** During the Term and for one (1) year thereafter, upon thirty (30) days written prior notice SixGen will have the right to have an independent audit firm inspect Customer's records relating to Customer's use of the Offerings solely in order to verify Customer's compliance with the terms and conditions of this Agreement. The audit will be performed during Customer's normal business hours. The costs of the audit will be paid by SixGen, unless the audit reveals that Customer has (a) failed to comply with the terms and conditions of this Agreement, or (b) underpaid the amounts owed to SixGen by five percent (5%) or more, in which case Customer will reimburse SixGen for all reasonable out-of-pocket costs and expenses reasonably incurred by SixGen in connection with such audit. Customer will promptly pay to SixGen any amounts shown by any such audit to be owing and due. In addition, the Products may report certain details regarding certain usage to SixGen, and Customer will not interfere with such reporting.
- 7. Term and Termination.**
- 7.1 Agreement Term.** The terms of this Agreement will continue to apply so long as Customer and any of its End Users are able to access or use any Product or receive any Services.
- 7.2 License and Agreement Term.** The initial term of this Agreement and the License for any Product granted hereunder and/or Services to be provided to Customer hereunder shall commence on and as of the Effective

Date and, unless terminated earlier pursuant to this Agreement, shall continue for the period specified in the applicable Ordering Document (the “**Initial Term**”), and, unless otherwise specified in the Ordering Document, shall automatically renew for successive twelve (12) month periods or such other period specified in the Ordering Document (each a “**Renewal Term**”) unless either Party provides written notice to the other Party of its intent not to renew not less than ninety (90) days prior to the expiration of the then-current Term (as defined below), or unless sooner terminated pursuant to the terms of this Agreement. For purposes of this Agreement, “**Term**” means the Initial Term together with any and all Renewal Terms. If no period of time is specified for the Initial Term in the Ordering Document, the period of time for the Initial Term and each Renewal Term thereafter applicable to such Licenses and/or Services shall be twelve (12) months.

7.3 SixGen Right to Terminate. Subject to the terms of any applicable Ordering Document or other Customer Agreement, SixGen may at any time, in its sole discretion, terminate this Agreement and any License for a Product or right to receive Services hereunder, and Customer’s and Customer’s End Users’ right, ability and permission to access the Products and/or receive any Services, shall immediately terminate upon notice to the e-mail address that SixGen has for Customer.

7.4 Termination for Cause. Either Party may terminate an Ordering Document or, at the election of the terminating Party, this Agreement (i) upon thirty (30) days prior written notice to the other Party of a material breach by the other Party if such breach remains uncured at the expiration of such notice period; or (ii) immediately in the event the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. In the event this Agreement is terminated, all Ordering Documents are simultaneously terminated. Notwithstanding any terms to the contrary in this Agreement, if any amounts owed by Customer (except for any Fees then in dispute under Section 6.5) are not fully-paid when due in accordance with Section 6 herein, Customer shall be in material breach of this Agreement and, in addition to its other rights and remedies at law or in equity, SixGen may terminate this Agreement and any and all rights of Customer under any License for any Product and/or to receive any Services currently being performed or to be performed for Customer shall terminate, effective immediately upon delivery of written notice to Customer.

7.5 Customer Termination. If Customer terminates this Agreement or any Ordering Document prior to the end of the Term for SixGen’s uncured breach, Customer shall be entitled to a refund of all pre-paid Fees paid for the Licenses of Products or performance of Services not provided by SixGen beyond the effective date of termination. If, prior to the expiration of the Term, (i) Customer terminates this Agreement or any Ordering Document and such termination is not due to SixGen’s uncured breach; or (ii) SixGen terminates this Agreement or any Ordering Document due to Customer’s uncured breach (collectively, a “**Customer Early Termination**”) and Customer has not already paid in advance the full amount of all Fees due under each Ordering Document for the Offerings licensed or purchased in accordance with the terms herein, Customer shall pay SixGen an early termination charge equal to all Fees, including all applicable Taxes, set forth in each Ordering Document which would otherwise be due through the end of the entire Term of such Ordering Document (the “**Early Termination Fee**”). The Parties agree that the precise damages resulting from a Customer Early Termination are difficult to ascertain and the Early Termination Fee is a reasonable estimate of anticipated actual damages and not a penalty. Customer agrees and acknowledges that the Early Termination Fee shall apply even if Customer terminates this Agreement or any Ordering Document following Acceptance under this Agreement. The Early Termination Fee shall be due and payable within ten (10) days of the effective date of termination and any prepaid Fees will be applied towards the amount of the Early Termination Fee.

7.6 No Further Use and Return of Property. Upon termination, Customer shall, and shall cause all of its End Users, to (i) cease accessing or using any Products and any other SixGen Property; (ii) uninstall and/or render inoperative all instances of any Product on each Authorized Device; (iii) destroy all copies of Product, including all Documentation for such Product, in its possession or control; and (iv) upon SixGen’s request, shall so certify to SixGen in writing that the foregoing actions have been taken and completed. Upon termination of this Agreement, the License and all rights granted hereunder shall also terminate, and such termination will not limit any of SixGen’s rights or remedies at law or in equity. No termination shall affect Customer’s obligation to pay all Fees owed to SixGen.

7.7 Survival. Sections 2, 3, 4, 5, 6, 7, 8, 11, 12, 13, and 14 shall survive any termination of this Agreement.

8. Confidentiality.

8.1 “Confidential Information” means all information disclosed or made available by a Party (“**Disclosing Party**”) to the other Party (“**Receiving Party**”), whether orally or in writing, that is designated as “confidential” at the time of disclosure or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. SixGen’s Confidential Information includes the SixGen Property; Customer’s Confidential Information includes the Customer Data; and Confidential Information of each Party includes the terms and conditions of this Agreement and any other Customer Agreement (including pricing), as well as business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such Party. Confidential Information does not include any information that (a) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (b) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (c) is received from a third party without breach of any obligation owed to the Disclosing Party; or (d) was independently developed by the Receiving Party.

8.2 Exclusions. Except for Customer Data, Confidential Information shall not include any information that the Receiving Party can demonstrate (a) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (b) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (c) is received from a third party without breach of any obligation owed to the Disclosing Party; or (d) was independently developed by the Receiving Party without breach of an obligations owed to the Disclosing Party.

8.3 Protection of Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (a) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (b) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates’ employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. Neither Party will disclose the terms of this Agreement or any other Customer Agreement to any third party other than its Affiliates, legal counsel and accountants without the other Party’s prior written consent, provided that a Party that makes any such disclosure to its Affiliate, legal counsel or accountants will remain responsible for such Affiliate’s, legal counsel’s or accountant’s compliance with this Section 8. Neither Party will appropriate any Confidential Information of the other Party for its own or any third party’s use. All Confidential Information will remain the property of the Disclosing Party and will be promptly returned to that Party, or destroyed if so directed, upon the earlier of the Disclosing Party’s written request or, pursuant to Section 7.6, the termination or expiration of this Agreement.

8.4 Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party if it is compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party’s cost, if the Disclosing Party wishes to seek a protective order or contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party’s Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to such Confidential Information. The provisions of this Section will survive the expiration or termination of this Alliance Agreement for any reason.

8.5 Injunctive Relief. Each Party acknowledges that unauthorized disclosure of the Disclosing Party’s Confidential Information may cause irreparable injury to the Disclosing Party for which monetary damages may be inadequate. In addition to any other remedy available to the Disclosing Party at law or in equity, the Disclosing Party shall have the right to seek damages and/or injunctive relief without posting a bond or other form of security.

9. Customer Responsibilities.

- 9.1 Customer Control of Customer Data.** Customer hereby agrees that Customer will control the access to the Customer Data, including Customer's End Users access to and use of the Products and Services and any Authorized Devices used by End Users in connection with the foregoing. Customer and its End Users with Access Credentials have full administrative control over such data, including the right to view or modify it and are solely responsible for the development, content, operation, maintenance, and use of Customer Data. Customer will ensure that the Customer Data and any of its End Users' use of Customer Data will not violate any policy or terms referenced in or incorporated into this Agreement, any other Customer Agreement, or any Applicable Law.
- 9.2 Monitoring.** Provision of the Products, the Services and other ancillary services hereunder may require SixGen to monitor the traffic and content (including encrypted content) of Customer Data transmitted by Customer's Authorized Devices and networks which may also require Customer and its End Users to provide, upload, transmit, or make accessible to SixGen such Customer Data.
- 9.3 Sensitive Data.** The Parties acknowledge and agree that, (a) the Products are not designed for the purpose(s) of storing, processing, compiling or transmitting Sensitive Data, and (b) except as otherwise provided herein, neither Customer nor any of Customer's End Users shall use the Products or Services for, or provide to SixGen, without prior written consent, storing, processing, compiling or transmitting Sensitive Data under this Agreement or any other Customer Agreement. Customer further acknowledges that the Products and related features are not intended to meet any legal obligations for these uses, including HIPAA and GLBA requirements, and that SixGen is not a Business Associate as defined under HIPAA. Therefore, notwithstanding anything else in this Agreement, SixGen has no liability for Sensitive Data accessed, used, transmitted, displayed or stored in connection with Customer's or any of its End Users' use of the Products or the Services.

10. Representations and Warranties.

- 10.1 Mutual Representations and Warranties.** Each Party represents and warrants to the other Party that: (i) it has the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby; (ii) this Agreement is valid and binding upon and fully enforceable against such Party in accordance with its terms; and (iii) neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will violate any Applicable Laws, or otherwise conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify, or cancel, or require any notice under any agreement, contract, lease, license, instrument, or other arrangement to which such Party is a party or by which it is bound or to which any of its assets are subject.
- 10.2 SixGen Products Warranty.** SixGen represents and warrants to Customer that (a) the Products do not violate the Intellectual Property Rights of third parties.
- 10.3 SixGen Services Warranty.** SixGen represents and warrants to Customer that the Services shall be performed by qualified personnel in a professional manner, consistent with industry standards. Customer's sole and exclusive remedy for breach of this warranty will be for SixGen to promptly correct the defective Services at no cost or expense to Customer, which remedy shall apply and be available so long as Customer notifies SixGen in writing of any such breach within thirty (30) days of when such Services were provided by SixGen. SixGen does not otherwise warrant, expressly or implicitly, the results, performance, or quality of the Services provided under this Agreement or any other Customer Agreement, including any Ordering Document.
- 10.4 Customer Warranty.** Customer warrants that Customer owns all right, title, and interest, including all Intellectual Property Rights, in and to Customer Data and that both the Customer Data and Customer or such Customer's End User's use of the Products is in compliance with the terms of this Agreement.

11. Disclaimer of Representations and Warranties.

- 11.1** THE PRODUCTS AND SERVICES, AND ANY SIXGEN PROPERTY ASSOCIATED WITH OR PROVIDED THROUGH THE PRODUCTS OR SERVICES ARE PROVIDED TO CUSTOMER ON AN "AS-IS" AND "AS AVAILABLE" BASIS.

11.2 EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, EACH PARTY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT WITH RESPECT TO SUCH PARTY'S MARKS, CONFIDENTIAL INFORMATION, PRODUCTS AND SERVICES AND ANY DATA, INFORMATION, OR OTHER MATERIAL PROVIDED TO THE OTHER PARTY HEREUNDER.

11.3 EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES PROVIDED FOR IN THIS AGREEMENT, SIXGEN AND ITS AFFILIATES, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, PARTNERS, LICENSORS, AND SERVICE PROVIDERS (COLLECTIVELY, THE "**RELEASED PARTIES**") MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, AND THE RELEASED PARTIES EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE.
